

# Wrap Up the Holidays by Recycling

## Make Your Tree Forever Green

Your Christmas tree will live forever when you recycle it into mulch! Remove the decorations and place your tree on the curb along with the trash on your regular collection day beginning December 28th. Trees will also be accepted through January 14th at the Waste Management Facility at 1176 Pineridge Road from 7am to 5pm, Monday through Friday and from 10am to 2pm on Saturday.

## Don't Throw Your Old Computer in the Trash

Keeping up with the latest technology can leave you with a pile of outdated gadgets. Recycle used electronics at the E-Waste Recycling Facility for **free!** (Norfolk residents only), at 1176 Pineridge Road, Monday through Saturday from 10am to 2pm, except on December 23rd—25th and January 1st.
